A Comprehensive Review and Update of Pediatric Infectious Diseases

Sponsored by the AAP Section on Infectious Diseases, the American Academy of Pediatrics (AAP), and the Pediatric Infectious Diseases Society (PIDS)

Chicago, Illinois
July 22-27, 2013
Hyatt Regency Chicago

You should attend PREP®:ID if you are:

• Preparing to participate in the Subspecialty Certifying Examination in Pediatric Infectious Diseases, to be administered by the American Board of Pediatrics.

• Preparing to participate in Maintenance of Certification™ (MOC).

• A pediatric infectious diseases specialist interested in a comprehensive review and update of pediatric infectious diseases.

• A pediatrician or family physician interested in a unique review and update of pediatric infectious diseases that can be applied to daily practice.

Earn a Maximum of 39.75 AMA PRA Category 1 Credits™

Register by June 21, 2013 for Early Bird Rates!

Register online at www.pedialink.org/cmefinder or call toll-free, 866/THE-AAP1 (866/843-2271)
2013 PREP:ID: A COMPREHENSIVE REVIEW AND UPDATE OF PEDIATRIC INFECTIOUS DISEASES

is designed to provide infectious disease specialists with a comprehensive review and update of pediatric infectious diseases, based on the Subspecialty Certifying Examination content outline developed by the Subboard of Pediatric Infectious Diseases. For general pediatricians, family physicians, nurse practitioners, physician assistants, and other health professionals, the course is designed to enable participants to apply infectious disease updates and case presentations readily in their own practice settings.

WHY SHOULD YOU ATTEND THE PREP:ID COURSE?

• Experience an intensive review of pediatric infectious disease topics to help you understand and manage patients’ illnesses effectively and efficiently.

• Enjoy direct access to a carefully selected, nationally renowned faculty of experts.

• Attend plenary lectures that are designed to address at least 50% of the American Board of Pediatrics Subboard of Pediatric Infectious Diseases subspecialty certifying examination content specifications, and receive the comprehensive electronic syllabus covering 100% of these specifications. The wide-ranging coverage of pediatric infectious diseases can serve as a useful resource during and after the course.

• Experience PREP:ID Live, a two-hour session highlighting the kinds of case-based questions found on the ID Subboard examination.

• Participate in case-based presentations that allow you to apply the information readily into your own practice setting.

• Network and discuss cases with the faculty and peers throughout the course.

CHOOSE THE SESSIONS AND FORMATS THAT MEET YOUR NEEDS

Although originally designed to meet the schedules of general pediatricians and other health-care professionals in practice, registration in the Infectious Diseases in Clinical Practice track is open to everyone. Subspecialists whose schedules are best accommodated by the Morning and Weekend Courses are welcome to register for the Infectious Diseases in Clinical Practice track and still attend all plenary lectures, question-and-answer sessions, and case vignettes offered during those times. All attendees are free to select either the plenary lectures or the case-based presentations throughout the course.

SESSION FORMATS

The course features a variety of educational formats, including plenary lectures, question-and-answer-sessions, case vignettes, case-based presentations, and a panel discussion.

The complete PREP:ID course includes:

• Plenary Lectures/Question-and-Answer Sessions
  Content covers a multitude of pediatric infectious disease topics. Faculty will address at least 50% of the content specifications in the American Board of Pediatrics Subboard of Pediatric Infectious Diseases Content Outline in their presentations and 100% in their syllabus materials.

• Case Vignettes
  Short case vignette sessions follow many of the lectures/question-and-answer sessions and allow faculty to present mini-cases on their scheduled topic(s).

The Infectious Diseases in Clinical Practice track, designed and scheduled for the general pediatrician and others caring for children, includes:

• Case-based Presentations
  Content is case-based and focuses on office management and practice-related pediatric infectious disease issues.

• Panel Discussion
  A panel discussion presents vaccine update information as well as practical information about delivery systems, safety issues, vaccine refusal, and other challenges facing primary care practices.
CHOOSE YOUR OWN SCHEDULE

REGISTER FOR ONE OF THE FOLLOWING SCHEDULES BASED ON YOUR UNIQUE EDUCATIONAL NEEDS.

Register for the entire PREP:ID course – July 22-27, 2013

- Earn up to 39.75 AMA PRA Category 1 Credits™
- Attend plenary lectures, question-and-answer sessions, case vignettes, and PREP:ID Live, an introduction to the kind of case-based questions found on the ID Subboard examination.

OBJECTIVE

If you attend the entire course, you will obtain a comprehensive and case-based review of the theory and practice of important topics in pediatric infectious diseases.

Register for one of two convenient schedules in the Infectious Diseases in Clinical Practice track

Morning Course
Mornings of Tuesday, July 23 – Saturday, July 27
Earn up to 19.0 AMA PRA Category 1 Credits™

- Participate in six case-based presentations on pediatric infectious diseases seen commonly in practice.
- Attend a panel discussion on vaccine issues in practice.
- Plus, attend plenary lectures, question-and-answer sessions, and case vignettes.

OBJECTIVES

If you attend the Infectious Diseases in Clinical Practice track, you will:

- Increase your ability to diagnose and manage patients with infectious diseases.
- Obtain a comprehensive review of important topics in pediatric infectious diseases in a case-based, interactive format.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 39.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 39.75 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 39.75 hours of Category 1 credit for completing this program.

An application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

This program is accredited for 39.75 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “off-label” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

RESOURCES

To order these and other pediatric resources, visit www.aap.org/bookstore or visit the AAP publications exhibit at PREP:ID and take advantage of special meeting discounts.

New 2nd Edition!
**Red Book® Atlas of Pediatric Infectious Diseases**
Editor: Carol J. Baker, MD, FAAP
Includes 800+ FULL-COLOR Images

This bestselling pictorial resource provides essential information and recommendations for diagnosing and treating more than 75 common conditions.

Editor: Larry K. Pickering, MD, FAAP
Associate Editors: Carol J. Baker, MD, FAAP
David W. Kimberlin, MD
Sarah S. Long, MD, FAAP

Now available in Spanish!
The Red Book showcases the latest findings and clinical guidelines on the manifestations, etiology, epidemiology, diagnosis, and treatment of more than 200 childhood conditions.

Red Book® Online extends beyond the print edition to provide instant electronic access to trusted pediatric infectious disease solutions—online and mobile. Now includes the full text of the new Spanish edition of the 2012 Red Book.

AAP members automatically receive Red Book Online as a member benefit. Non-members may purchase an annual subscription at www.aap.org/bookstore. For information about multi-user access, please contact aapsales@aap.org or visit the AAP exhibit booth at PREP:ID.

Maximize Your PREParation

With PREP® Infectious Diseases Self-Assessment Program

Discover why thousands of pediatricians choose PREP from the American Academy of Pediatrics (AAP) to:

- Engage in Lifelong Learning
- Earn CME Credits
- Review for the Maintenance of Certification™ (MOC) Examination

The PREP Infectious Diseases online self-assessment program delivers clinically relevant, peer-reviewed questions, in-depth discussions of preferred answers, and references for further study—all mapped to the American Board of Pediatrics (ABP) subspecialty content specifications.

**Special Offer for PREP:ID Registrants!**
Order 2013 PREP Infectious Diseases for only $99 (50% off regular rates) if you purchase at the time of course registration. See the Registration Form on page 11 to order!

**PREP® Infectious Diseases is approved for 20 points by the American Board of Pediatrics for MOC Part 2: Lifelong Learning and Self-Assessment.**

**SAVE ON THE LATEST AAP PEDIATRIC INFECTION DISEASES RESOURCES!**
Stop by the AAP Publications exhibit while at PREP:ID and take advantage of an exclusive meeting discount on these valuable resources.

**For more information, visit www.pedialink.org/cmefinder or call toll-free, 866/THE-AAP1 (866/843-2271)**

Mail this form with payment to:
American Academy of Pediatrics/Registration
37925 Eagle Way
Chicago, Illinois 60678-1379
Fax this form to: 847/228-5059 or 847/434-8757
Lodging and meals, other than specified, are not included in the registration fee. Food and beverages provided during the course are intended for course attendees only.
Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

COMPREHENSIVE COURSE SYLLABUS
The 2013 PREP®:ID course syllabus will be provided in an electronic format. In order to provide high-quality images, readable graphics, and flexibility of formats, the syllabus will be provided to each attendee on-site on a flash drive. This flash drive will include each presentation, with note-taking capability. The materials cover 100% of the American Board of Pediatrics Subboard on Pediatric Infectious Diseases content specifications.
Also, prior to the course, attendees may choose to access the presentations online to download the course files to an electronic device of choice or to printout the presentations. Notetaking booklets will be provided on-site for your convenience.
If you choose to request a paper version of the course syllabus, an additional charge of $75 will be assessed.

SPECIAL NEEDS
The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations on your registration form.
Scooter and wheelchair rentals are available by contacting ScootAround, Inc., toll-free at 888/441-7575, by email at info@scootaround.com, through their Web site at www.scootaround.com, or by fax at 204/478-1172.

CANCELLATIONS
Cancellations must be received by June 22, 2013, to receive a refund. An administrative charge of $50 will be deducted.

UNABLE TO ATTEND?
While nothing replaces the experience of being at PREP:ID, not everyone can attend in person. If you can’t be there, you may order an online version of the lectures and the concurrent sessions presentations synched with the audio recorded at the course. To order online, visit www.dcprovidersonline.com/aap or call Digital Conference Providers at 630/963-8311 for pricing and additional information. This product will be available approximately 8 weeks after the course.
HOTEL AND TRAVEL ARRANGEMENTS

Hyatt Regency Chicago
151 East Wacker Drive
Chicago, IL 60601
Direct Phone Number: 312/565-1234
Toll-free Reservations: 800/633-7313
Guest Fax Number: 312/239-4412

Special group rates beginning at $179 per night, plus tax, for single or double occupancy, have been negotiated at the Hyatt Regency Chicago. These rates represent substantial savings from the published rates. The cutoff date for reservations at the group rate is June 21, 2013. Please call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to June 21, 2013; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

AIR TRANSPORTATION

The AAP Travel Office is pleased to offer negotiated airline discounts to our CME courses. For complete details call the AAP Travel Office at 888/227-1772, Monday-Friday, 8:00AM-4:30PM CST, to make your travel arrangements.

AAP members only may also take advantage of making their travel arrangements online, through nuTravel. nuTravel can be accessed through the Member Center of the AAP Web site under membership matters. If you have used nuTravel (formerly known as Res-X) previously you can go directly to http://www.aap.org/en-us/my-aap/membership-information/travel-services/pages/travel-services.aspx and login.

If you are new to nuTravel, please follow the instructions for first time user.

All applicable airline discounts will be taken at the time of ticketing by the AAP travel agency.

GROUND TRANSPORTATION

Shuttle service is available from O’Hare International Airport and Midway Airport through GO Airport Express at 773/247-1200 or 888/284-3826 (888/2THE-VAN) or at www.airportexpress.com. Taxi service is also available.

PUBLIC (“EL”) TRANSPORTATION

Transportation to downtown from O’Hare and Midway airports is available on the Chicago Transit Authority’s (“EL”) train lines. From O’Hare, take the Blue Line to Lake Street. From Midway, take the Orange Line to Lake Street. Walk 1 block north to Wacker. Take a right on Wacker and the hotel is approximately 3 blocks.

CAR RENTAL DISCOUNTS

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details. Hertz can be reached directly at 800/654-2240 or www.hertz.com. The AAP discount code is CV0170017. Avis can be reached at 800/331-1600 or www.avis.com. The AAP discount code is AWD A628999.

PARKING

Valet parking is available at the hotel for registered guests. Contact the concierge for self-park options and additional parking information.
