BE/BC Pediatric Infectious Disease Specialist

Carle Physician Group is seeking a BE/BC Pediatric Infectious Disease Specialist to join our multispecialty group. With over 400 physicians and 250 advance practice providers, comprising 80 specialties/subspecialties, and a service area of 1.5 million residents, Carle is locally owned and physician-led. Our group is part of a not-for-profit integrated network of healthcare services that includes Carle Foundation Hospital, a 393-bed Level I Trauma Center with Level III perinatal services.

Practice Opportunity Details Include:

- Part-time or full-time ambulatory clinic position available
- Possible outreach
- Telemedicine consult service / telephone management
- Dedicated Neonatal and Obstetric air and ground and Pediatric transport services
- Established relationship with a pediatric tertiary care center to provide consultation services for Pediatric Endocrinology, Cardiology, Infectious Disease and Hematology/Oncology
- Pediatric subspecialties onsite include Gastroenterology, Neurology, Developmental-Behavioral Pediatrics, Pulmonology, Sleep, Genetics, Neurosurgery, Pediatric Surgery, Cardiology, Psychology, Urology and 24 hour Pediatric Hospitalist services

Carle offers an excellent benefit package including health/dental/life insurance, 403-B plan with employer match, LTD, relocation allowance, CME allowance, and paid malpractice insurance with 100% tail insurance covered. Globally connected, innovative and culturally rich, Champaign-Urbana is centrally located to Chicago, Indianapolis and St. Louis and is home to one of the world's great public research universities - the Big Ten University of Illinois. With ease of transportation, excellent schools and affordable housing options, our community features the friendliness and advantages of a smaller town while offering the dining, arts, sports, and entertainment options found in a much larger city.
