Faculty Position in the Division of Infectious Diseases and Global Health, Department of Pediatrics
UCSF School of Medicine and UCSF Benioff Children’s Hospitals

The Department of Pediatrics at the University of California San Francisco invites applications for full-time faculty positions at the Assistant or Associate Professor rank in the faculty series within the Division of Pediatric Infectious Diseases and Global Health. Primary responsibilities will include clinical care and teaching on the Pediatric Infectious Disease inpatient consult service as well as outpatient ID clinic consultation at the new UCSF Benioff Children’s Hospital, San Francisco. Candidates with interest and experience in the care of immunocompromised hosts are encouraged to apply, as the division aims to develop a specialized service to meet the needs of this population. Additional opportunities may include investigator-initiated clinical or translational research, antimicrobial stewardship, telemedicine, or leadership roles in education.
